Nov 2019

Dear Aims team,

Our Company is proud to announce its contribution to the Christmas party that was organized by “The Hope” UP Manila scholars, Bahay Aruga and Bahay Parola organizations held in Philippine Bible Society on the 30th November 2019, with the valuable support of Crossworld.

Lunch buffet & deserts, fruits and gifts were distributed to 55 kids. Singing and dancing from the kids along with plenty of games.

It was a touching moment to be able to give a little hand to the kids, bring smiles into their small faces and somehow let them feel the spirit of Christmas.

We trust our Company will continue contribution to many future great causes!

Have a nice, safe and efficient week.
